Dear Taxpayer:

You filed a purported tax return for the tax periods above that claimed one or more frivolous positions or reflected a desire to delay or impede administration of the tax laws. If you don't immediately correct your return, we'll assess a \$5,000 penalty against you.

WHY WE ARE CONTACTING YOU

Based on Internal Revenue Code Section 6702, Frivolous Tax Submissions, we determined the information you filed as a purported tax return, on Feb. 04, 2024 is frivolous and there is no basis in the law for your position.

Federal courts, including the Supreme Court of the United States, have considered positions like yours and repeatedly rejected them as without merit. Publication 2105, Why do I have to Pay Taxes?, includes examples of frivolous positions and arguments regarding the U.S. tax system under the heading "Don't Fall for These Arguments." Notice 2010-33 provides detailed information on positions identified as frivolous under Section 6702.

People who violate the tax laws may be subject to federal criminal prosecution and imprisonment. For information about the IRS criminal enforcement program visit [IRS.gov/ciprograms](https://www.irs.gov/ciprograms).

You included a position that has no basis in the law. You're attempting to avoid or reduce tax liabilities or to secure a refund to which you're not entitled.

To avoid this penalty, submit a signed request to withdraw your purported returns for each taxable period listed at the top of this letter within 30 days from the date of this letter. Once you withdraw your purported returns, we'll disregard the frivolous documents you filed and we will not assess the frivolous tax return penalty for each

America's Secret Establishment

After 16 books and 25 years in basic research I thought I'd heard it all. . . the world was a confused mess, probably beyond understanding and certainly beyond salvation — and there was little I could do about it.

Back in 1968 my *Western Technology and Soviet Economic Development* was published by the Hoover Institution at Stanford University. In three substantial volumes I detailed how the West had built the Soviet Union. However, the work generated a seemingly insoluble puzzle — **why** have we done this? **Why** did we build the Soviet Union, while we also transferred technology to Hitler's Germany? **Why** does Washington want to conceal these facts? **Why** have we boosted Soviet military power? And simultaneously boosted our own?

In subsequent books, the *Wall Street* series, I added more questions — but no answers. I had more or less arrived at the conclusion that there was no rational answer that could be proven.

Then a year or so ago I received an eight-inch batch of documents — nothing less than the membership lists of an American secret society. Glancing through the sheets it was more than obvious — this was no ordinary group. The names spelled Power, with a capital P. As I probed each individual a pattern emerged. . . and a formerly fuzzy world became crystal clear.

The book you will read here is a combined version of a series reporting on this research. Each volume builds on the previous volume in a logical step-by-step process.

These volumes will explain **why** the West built the Soviets **and** Hitler; **why** we go to war, to lose; **why** Wall Street loves Marxists **and** Nazis; **why** the kids can't read; **why** the Churches have become propaganda founts; **why** historical facts are suppressed, **why** politicians **lie** and a hundred other whys.

This series is infinitely more important than the original *Western Technology* series on technological transfers. If I have a **magnum opus**, this is it.

In Re; Redemption of Phillip Sherrod <i>On and for the behalf of the</i> UNITED STATES	
<p style="text-align: center;">NOTICE OF GARNISHMENT - RULE B(1)(c)</p>	

COMES NOW, Phillip Sherrod of the family GRAVES and Redeemed. Demand is made for redemption of central banking currency in Lawful Money in all transactions pursuant to Title 12 USC §16 of the 1913 Federal Reserve Act. Service to the agent is service to the principal and vice Versa. The law is clear – one must make demand for lawful money clear to the Treasury of the United States.

Dear Clerk of Court:

Please find USPS Money Order #28648974071 for \$52. Prevalent deviant oaths of office prescribe exigent circumstances, judicial review is impracticable. Rule B(1)(c) allows for garnishment actions against Janet Louise YELLEN and her agents. Chapter 101 of Title 18 of the US Code, in particular §2076 protects against any diversion or obstruction of the publication process, PACER, of this Document in full. Social Security numbers have been redacted on the rendition to be published on PACER but the original mailing presentment, refused for cause is mailed directly and timely to garnishee Scott BESSENT as Presenter. In most cases services to
